

Questionnaire and Statement for person in charge

- Burnt Pine Longicorn Beetle

Journey details	
Vessel name:	Call sign:
IMO/Lloyd's number:	Visit date: dd / mm / yyyy

Note: Prior to entering Australian first points of entry, every targeted vessel that has visited a New Zealand Port, north of Lyttelton/Akaroa will undergo a Burnt Pine Longicorn Beetle (BPL) risk assessment based on information provided by the person in charge of the vessel. **This form must be correctly and completely filled out by the person in charge or delegate and submitted to the Maritime National Coordination Centre (maritimncc@agriculture.gov.au) at least 12 hours prior to arrival into Australia. All fields in this form are mandatory.**

What to look for: Look out for adult beetles seeking shelter in dark secluded areas on vessel or in cargo. Adults are active from dusk to dawn and shelter in crevices during daylight. Adult beetles are attracted to light sources.
