To inform Mr Entche's upcoming meeting with the Minister below is information about these three properties.

OLIVE VALE:

Owners the Ryan Family (Ryan Global)with farming and manufacturing interests throughout Queensland and Australia

Case Status **CLOSED**

Details The Ryan's are fully engaged with the Department. The Department has met with Mr Paul Ryan and offered assistance with either:

- a) Guidance about preparing a referral
- b) Guidance about developing a conservation Agreement under s305 (with a declaration under s306A that referral is not warranted).
- c) On-farm assistance if required

The Ryans have chosen not to further engage with the Department at this time.

If works proceed without approval, or other arrangement being in place, it will likely to contravene Part 3 of the Act

The Department has every confidence that the Ryan family will comply with all requirements under the EPBC Act

Hi s22

MO will be meeting with Warren Entch either this afternoon or tomorrow. Could you please provide me with further updates on the Olive Vale, s22 and s22 properties. It would also be good to know who the property owners are.

Thanks

Monica
