**5. Conditions**  
 - This permit is not transferable  
 - If for live animals, this permit or certificate is valid only if the transport conditions comply with the IATA Live Animals Regulations; if for live plants, with the IATA Perishable Cargo Regulations  
 - For special conditions specific to this permit also refer below.

**6. Name, Address and Country of Issuing Authority**  
 Wildlife Trade and Biosecurity Branch  
 GPO BOX 787  
 CANBERRA ACT 2601

**5a. Purpose :** Not Required

**7/8. Scientific & Common Name**  
**(Genus and Species of Animal or Plant)**

**9. Description**

**10. Source**

**11. Quantity and Unit**

The permit holder must complete and return the pink copy of this permit to the Issuing Authority within two weeks of the consignment occurring. If the consignment does not occur the original permit together with the pink copy must be marked unused and returned to the Issuing Authority within two weeks of the expiry date of the permit.

The specimen(s) are not used primarily for commercial purposes after it is no longer needed for an exhibition by the institution.

The specimen(s) will be prepared and transported in a way that is known to result in minimal stress, risk of injury and adverse effect on the health of the specimen(s).

The receiver of the specimen(s) must manage, confine and care for the specimen(s), including meeting the behavioural and biological needs of the specimen(s).

All conditions set out in the Ambassador Agreement signed by Darling Downs Zoo, Hamerton Zoo Park and the Department of the Environment and Energy must be met.

All requirements of the conditions for the Overseas Transfer of Wombats must be met.

The importer must report to the Department on the status and health of the wombats every six months for the first two years, and then annually thereafter.

**Special Conditions**

Under Part 13A of the EPBC Act all Commonwealth and State/Territory requirements in relation to this specimen(s) must be met.

The permit holder must complete and return the pink copy of this permit to the Issuing Authority within two weeks of the consignment occurring. If the consignment does not occur the original permit together with the pink copy must be marked unused and returned to the Issuing Authority within two weeks of the expiry date of the permit.

The specimen(s) are not used primarily for commercial purposes after it is no longer needed for an exhibition by the institution.

The specimen(s) will be prepared and transported in a way that is known to result in minimal stress, risk of injury and adverse effect on the health of the specimen(s).

The receiver of the specimen(s) must manage, confine and care for the specimen(s), including meeting the behavioural and biological needs of the specimen(s).

**13. Authority for Permit/Certificate**

Issued By: s22 [redacted]

Issue Date: 22/11/2018
