Conditions and statements

- The permit holder must acquit this permit online no later than two (2) weeks after this import occurs. The original overseas CITES (re-)export document for this shipment must be returned by post to the Department no later than two (2) weeks after the import occurs. If the import does not occur, the permit holder must acquit the permit online as 'shipment not sent', no later than two (2) weeks after the expiry of this permit.
- To import this item an import declaration number must be obtained from Australian Border Force or through your broker or freight forwarder.
- The permit holder must, in carrying out the activities authorised by this permit, comply with all applicable Commonwealth, State and Territory laws.
- This permit is not transferable.
- Failure to comply with any condition of this permit may result in the cancellation or suspension of this permit. Penalties may also apply for contravening any condition of this permit in accordance with section 303GF of the Environment Protection and Biodiversity Conservation Act 1999.
