INDUSTRY ADVICE NOTICE NO: 2014/15

Business systems program – Plant export operations stakeholder survey

Purpose

Your feedback on how we communicate and engage with you is important.

A stakeholder engagement survey is now available and gives you the opportunity to evaluate how well the Plant Exports Operations Branch communicates plant export issues and changes, and for you to suggest improvements.

The survey, available at www.surveymonkey.com/s/plantexportsurvey, will be open until 30 June 2014.

It will take around 10 minutes to complete and all questions are optional. Your answers will be completely confidential to the department and will not be disclosed to any third parties. Details on how to complete the survey are located on the page before you begin.

We appreciate your time and feedback.

Please do not hesitate to pass this survey on to any other parties that may be interested in providing us with feedback on our engagement and communication.
