Good afternoon Nicola

Please see attached clean version of the Evaluation brief. Matters related to MYEFO remain highlighted in yellow pending further discussion with Rebecca.

We have updated the Terms of Reference for the evaluation (page 7 of the attached brief) and welcome your input.

Once we have received your comments, we will share the ToRs with Rebecca and seek her advice on whether the MYEFO components should remain within the brief or are better placed within the Cab Sub.

Don't hesitate to reach out if you wish to discuss

Hi Emma – welcome back!

Please see attached a ministerial submission for the *Evaluation of APVMA review findings and provision of advice to Minister Watt on APVMA structure and governance*. This brief was prepared in collaboration with the Interim APVMA CEO and has been cleared by Julie.

The brief encompasses a number of recommendations relating to the proposed evaluation, appointing an independent evaluator, establishing an IDC, briefing jurisdictional counterparts and developing a joint MYEFO submission with the APVMA. The brief also includes the following attachments:

- Draft ToRs for the evaluator
- Letter to the Prime Minister seeking approval to undertake the evaluation
- Letter to the Prime Minister seeking approval to prepare a joint DAFF/APVMA MYEFO submission.

Can you please review and provide clearance on this brief by **noon Tuesday 20 June 2023 (tomorrow)**. Apologies for the tight turnaround – we need to have this with the Minister’s Office by COB tomorrow to meet the cut off for his travel.

Happy to discuss if you have any questions.

Team,

In ^{s. 22(1)(a)(ii)} absence can we have a go at redrafting this as I think it needs to be about the govt response to Matthews review and then briefly mention the other reviews.

Cheers,
Julie
