Hi all, my shortlisting aligned with Amanda's for the recommended interviews. I have added my comments against the possibles.

Just as a heads up, I am in a half day workshop today due to finish at 12.00. There is a possibility it will go over time, so I will keep Nico updated on how I am tracking for the meeting.

Thanks very much, Tina

Dear Panel

Please see attached shortlist comments and recommendations for the role of Executive Director, Recovery Operations, National Recovery and Resilience Agency.

I have also attached the candidate brief which outlines the background to the role and attributes sought.

I have recommended the panel consider six (6) applicants for interview, and identified a further five (5) as possible. The latter group having some claims, but not the more direct and relevant experience of those recommended for interview.

**Recommended (6) for Consideration for interview**
