

Australian Animal Welfare Strategy: stakeholder engagement list

The Australian Government Department of Agriculture, Fisheries and Forestry conducted a first round of consultation on the renewal of the Australian Animal Welfare Strategy (AAWS) through a Have Your Say (HYS) consultation process and a series of focus groups and other meetings.

This document lists the organisations invited to focus groups and other meetings. Individuals involved in the development of the original AAWS were also invited. Names of individuals are not listed.

This first round of consultation is one step in an extensive stakeholder engagement process that will take place over the next 3 years.
