Transit and transhipment

All horses transiting or transshipping through an Australian airport must have prior written approval.

You are not required to submit this NOI if the horses are transiting or transshipping through an Australian airport to:

- a third country, but you must apply at least 7 working days prior to transit/transhipment using an [Application and permit to transit or tranship horses](#),
or
- to another Australian airport for PAQ, but you must hold a valid, varied import permit setting out the domestic transfer conditions.

Privacy notice

The Department of Agriculture, Fisheries and Forestry collects your personal information in relation to this form as required under the *Biosecurity Act 2015* (Cth) for the purposes of assessing whether the consignment meets the import conditions and related purposes. If you fail to provide some or all of the personal information requested in this application, you may be in contravention of your import conditions.

The department may disclose your personal information to other Australian government agencies including the Australian Customs and Border Protection Agency, and other persons or organisations where necessary for the above purposes, provided the disclosure is consistent with relevant laws, in particular the *Privacy Act 1988* (Cth). Your personal information will be handled in accordance with the Australian Privacy Principles and the *Biosecurity Act 2015* (Cth). It is unlikely to be disclosed overseas.

See the department's [Privacy policy](#) to learn more about accessing or correcting personal information or making a complaint. Alternatively, email the department at privacy@aff.gov.au.
