This market access advice (MAA) replaces MAA2010-15/16 and MAA2012-03 which contained information regarding establishment listing and certification requirements for fish and fishery products exported to Vietnam.

The Department of Agriculture would like to advise that this information is now available in the Manual of Importing Country Requirements (MICoR). The MICoR database can be found at www.daff.gov.au/micor.

The information provided above is current at the time of writing and is intended for use as guidance only and should not be taken as definitive or exhaustive. The Commonwealth endeavours to keep information current and accurate, however, it may be subject to change without notice. Exporters are encouraged to verify these details with their importers prior to undertaking production/exports. The Commonwealth will not accept liability for any loss resulting from reliance on information contained in this notice.
