

Attachment 1 – countries and products affected by occurrence of high pathogenicity avian influenza in Victoria, New South Wales, and ACT

Country	Product	Certificate template	Endorsement number	Current Status <i>(Please note: Bolded entries have been updated from previous market access advices).</i>
Argentina	Processed pet food	M584	N/A	Certification available for animals sourced from outside the Control Areas
Bangladesh	Poultry meat, meat products and edible offal	EX174	N/A	Affects certification for all Australian product
Brunei	Turkey meat	EX174	143	Certification available for animals sourced from outside the Control Areas
Canada	Ostrich and emu meat and offal	MECEX	4970	Affects certification for all Australian product.
	Rendered poultry meals (restricted end use, shipped directly to Canada)	M450	5105	Certification available for ingredients derived from poultry and avian animals sourced outside the Control Area
	Rendered poultry meals (restricted end use, transhipped through the USA)	M450	5106	Certification available for ingredients derived from poultry and avian animals sourced outside the Control Area
	Rendered poultry meals (no restrictions on end use, shipped directly to Canada)	M450	4819	Certification available for ingredients derived from poultry and avian animals sourced outside the Control Area
	Rendered poultry meals (no restrictions on end use, transhipped through the USA)	M450	4820	Certification available for ingredients derived from poultry and avian animals sourced outside the Control Area
China	Processed animal protein of poultry origin used as feed material	M482	N/A	Affects certification for all Australian product
Egypt	Raw pet meat and processed pet food	E242A	3703	Affects certification for all Australian product
EU	Ratite meat	Z946	N/A	Affects certification for all Australian product.

Australian Government
**Department of Agriculture,
 Fisheries and Forestry**

	Raw materials for the manufacture of petfood	M094 M277 M276 M283		Affects certification for all Australian product containing poultry.
	Retail-ready pet meat	Z734	N/A	Affects certification for all Australian product containing poultry.
	Animal by-products to be used for trade samples or purposes outside the food chain	M448	N/A	Affects certification for all Australian product containing poultry.
	Inedible rendered fats and oils	M250	N/A	Affects certification for all Australian product containing poultry.
	Untreated blood products, excluding blood from horses, mules and donkeys for the manufacture of technical products	Z733 Z733A	N/A	Affects certification for all Australian product containing poultry.
French Polynesia	Poultry meat and meat products	Z91	N/A	Affects certification for all Australian product.
	Ostrich and emu meat and offal	Z91	N/A	Affects certification for all Australian product.
	Dry processed pet food containing rendered co-products of terrestrial origin	E242 E242A	5274	Certification available for animals sourced and processed outside Victoria, NSW and the ACT
	Dry processed pet food containing rendered co-products of terrestrial and aquatic origin	E242 E242A	5275	Certification available for animals sourced and processed outside Victoria, NSW and the ACT
	Feed containing terrestrial animal ingredients intended for feeding all animals	EX214C	N/A	Certification available.

Fisheries and Forestry

	digests intended for use in the production of pet food			
	Heat treated pet food that contains poultry	M100	N/A	Affects certification for all Australian product.
	Chilled or frozen raw or partially processed pet meat (including jerky) containing poultry ingredient	M100	N/A	Affects certification for all Australian product.
Kiribati	Poultry meat, meat products and offal without departmental inspector supervision of ante and post-mortem inspection	EX174	3018	Certification available for animals sourced from outside the Control Areas
	Poultry carcasses and offal with departmental inspector supervision of ante and post-mortem inspection	EX195A	3018	Certification available for animals sourced from outside the Control Areas
	Poultry meat with departmental inspector supervision of ante and post-mortem inspection	EX195B	3018	Certification available for animals sourced from outside the Control Areas
	Poultry meat products with departmental inspector supervision of ante and post-mortem inspection	EX195C	3018	Certification available for animals sourced from outside the Control Areas
	Eggs	EX46EG	6477	Certification available for products sourced from outside the Control Areas
Macau	Poultry meat, meat products and offal	EX174	498	Certification available for animals sourced from outside the Control Areas
Malaysia	Ostrich and emu meat, meat products, carcasses and offal	Z87A	271	Affects certification for all Australian product.
	Ostrich and emu meat products	Z87C	271	Affects certification for all Australian product.

Australian Government
Department of Agriculture,
Fisheries and Forestry

	Ostrich and emu meat	Z87A	271	Affects certification for all Australian product.
	Processed pet food	E242 E242A	7465	Certification available for poultry products manufactured from outside the Control Areas
	Poultry meat, meat products and edible offal	Z83	3216	Affects certification for all Australian product.
Mauritius	Poultry meat, poultry meat products, and edible offal, ostrich and emu meat and ostrich and emu meat products	Z911	3670	Affects certification for all Australian product
Mexico	Salted skins and hides of ratites	M477	5228	Affects certification for all Australian product
	Rendered edible animal fats and oils including tallow	M594	5631	Affects certification for all Australian product containing poultry.
Myanmar	Poultry meat and meat products	EX174	498	Affects certification for all Australian product
Namibia	Poultry meat, meat products and offal	Z369	N/A	Certification available for animals sourced from outside the Control Areas
	Ostrich skins and hides	E153 Z450	2907	Certification available for animals sourced from outside the Control Areas
New Caledonia	Poultry meat and poultry meat products	Z930	N/A	Affects certification for all Australian product. Certification available for cooked products if treatment requirements are met
	Ostrich and emu meat, meat products and offal	Z930	N/A	Affects certification for all Australian product
	Canned and dried processed petfood	EX214	N/A	Certification available
	Poultry and poultry products	EX203	N/A	Affects certification for all Australian product
	Rendered products for use in animal food	EX214	N/A	Certification available
	Poultry meal	EX214, EX214B	N/A	Certification available
	Eggs	Z930	N/A	Affects certification for all Australian product

Australian Government

Fisheries and Forestry

New Zealand	Eggs	N/A - Veterinary declaration	N/A	Veterinary declaration available for all product sourced from outside the Control Areas.
Palau	Poultry meat, meat products and offal	EX174	317	Certification available for animals sourced from outside the Control Areas
Papua New Guinea	Poultry meat and meat products	EX174	3078	Certification available for mechanically deboned meat (MDM) product sourced from outside the Control Areas.
	Heat-treated poultry meat	EX174	3073	Certification available for heat treated product sourced from outside the Control Areas
	Eggs	EX46EG		Affects certification for all Australian product.
	Non-mammalian meal including stock feeds containing non-mammalian rendered products	E242 E242A	3749	Certification available for heat treated product sourced from outside the Control Areas.
Philippines	Poultry meat, meat products and offal	PHEXMP	4781	Affects certification for all Australian product.
	Ostrich or emu carcasses and offal	Z87A	309	Affects certification for all Australian product.
	Ostrich or emu meat	Z87B	309	Affects certification for all Australian product.
	Ostrich or emu meat products	Z87C	309	Affects certification for all Australian product.
Russia	Skins and hides	EX324S	N/A	Affects certification for all Australian product containing poultry or avian product.
Samoa	Poultry meat, meat products and offal	EX174	2940	Affects certification for all Australian product
Singapore	Frozen poultry meat and meat products	EX174	182	Certification available – check Control Areas to ensure product meets importing country requirements.
	Chilled poultry meat and meat products	EX174	3667	Certification available – check Control Areas to ensure product meets importing country requirements.
	Frozen or chilled ostrich or emu carcasses and offal	Z87A	189	Certification available – check Control Areas to ensure product meets importing country requirements.
	Frozen or chilled ostrich or emu meat	Z87B	189	Certification available – check Control Areas to ensure product meets importing country requirements.

Australian Government
Department of Agriculture,
Fisheries and Forestry

	Frozen or chilled ostrich or emu meat products	Z87C	189	Certification available – check Control Areas to ensure product meets importing country requirements.
	Egg products that are not heat treated in accordance with Article 10.4.23 of the Terrestrial Animal Code (WOAH)	EX46EG	4657	Certification available – check Control Areas to ensure product meets importing country requirements.
	Eggs for research purposes	E242	N/A	Certification available – check Control Areas to ensure product meets importing country requirements.
	Raw pet meat and processed animal food (excluding canned pet food and dry pet food)	M074	3751	Certification available – check Control Areas to ensure product meets importing country requirements.
Solomon Islands	Poultry meat, meat products and offal	EX174	4771	Certification available for product sourced from 10km outside of control areas. Product must meet conditions on a valid import permit.
	Eggs	EX46G	N/A	Certification available.
South Africa	Poultry meat, meat products (including mechanically recovered poultry meat and chicken feet) and offal	Z9	N/A	Affects certification for all Australian product.
	Processed animal protein	E242 E242A	3757	Certification available for products sourced from outside the Control Areas where South Africa have granted a valid import permit.
	Fertiliser containing processed animal protein	E242 E242A	3759	Certification available for products sourced from outside the Control Areas where South Africa have granted a valid import permit.
	Ostrich skins	E153	N/A	Affects certification for all Australian product.
South Korea	Poultry meat, meat products and offal	Z84	N/A	Affects certification for all Australian product.
	Heat treated poultry meat products	Z84A	N/A	Affects certification for all Australian product.

Australian Government
**Department of Agriculture,
 Fisheries and Forestry**

	Eggs	EX46EG	5268	Affects certification for all Australian product.
	Salted ratite hide	E153 Z450	2918	Affects certification for all Australian product.
	Fully refined ratite oil	EX331 EX331A	5533	Affects certification for all Australian product.
	Processed, semi processed pet food and pet meat (excluding sterilised products)	M548	N/A	Certification available for heat treated products
	Sterilised petfood products	M547	N/A	Certification available
	Blown ratite egg shells	E242 E242A	3827	Affects certification for all Australian product.
Sri Lanka	Egg powder (not heat treated)	EX46EG	6455	Certification available for eggs sourced outside Victoria, NSW and the ACT
	Poultry meat produced with Departmental supervision of anti-mortem and post-mortem inspection	EX195B	1032	Affects certification for all frozen Australian product.
	Poultry produced with company ante-mortem and post-mortem inspection	EX174	1032	Affects certification for all frozen Australian product.
	Poultry carcasses and offal produced with Departmental supervision of ante-mortem and post-mortem inspection	EX195A	1032	Affects certification for all frozen Australian product.
	Poultry meat products produced with Departmental supervision of ante-mortem and post-mortem inspection	EX195C	1032	Affects certification for all frozen Australian product.
Taiwan	Poultry soup jelly	EX188M	N/A	Certification available for poultry products sourced outside of VIC, NSW and ACT.
	Ostrich and emu carcasses and offal	Z87A	289	Certification available for poultry products sourced outside of VIC, NSW and ACT.

Australian Government
Department of Agriculture,
Fisheries and Forestry

	Ostrich and emu meat	Z87B	289	Certification available for poultry products sourced outside of VIC, NSW and ACT.
	Table eggs	EX46TW	5170	Certification available for poultry products sourced outside of VIC, NSW and ACT. <i>Exporters should note egg MAA 2024-30 when considering if egg products can be exported to Taiwan.</i>
	Egg products	EX46TW	5171	Certification available for poultry products sourced outside of VIC, NSW and ACT. <i>Exporters should note egg MAA 2024-30 when considering if egg products can be exported to Taiwan.</i>
	Dried animal products of poultry origin (for example feathers) not intended for human or animal consumption	E242 E242A	3828	Certification available for poultry products sourced outside of VIC, NSW and ACT.
	Pet food (raw, dry and semi-moist processed) that contains poultry ingredients	M074A	3777	Certification available for poultry products sourced outside of VIC, NSW and ACT.
	Meat meal, bone meal, meat-and-bone meal, blood meal, feather meal and plasma protein powder derived from chickens, ducks, geese and turkeys (Aves animals)	M074B	7310	Certification available for poultry products sourced outside of VIC, NSW and ACT.
Thailand	Ostrich and emu carcasses and emu offal	Z87A	3021	Affects certification for all Australian product
	Ostrich and emu meat	Z87B	3021	Affects certification for all Australian product
	Ostrich and emu meat products	Z87C	3021	Affects certification for all Australian product
	Raw inedible turkey meat	M100	5211	Affects certification for all Australian product

Australian Government
Department of Agriculture,
Fisheries and Forestry

	Inedible tallow	M336	5075	Certification available for poultry products sourced from outside the Control Areas. No sourcing restrictions for other species.
	Ostrich and emu skins	E153	N/A	Affects certification for all Australian product
Timor Leste	Poultry, poultry meat products and edible offal	EX174	3077	Affects certification for all Australian product
Tonga	Poultry meat, poultry meat products and edible offal	EX174	2269	Certification available for animals sourced from outside the Control Areas
	Eggs	EX46EG		Certification available for animals sourced from outside the Control Areas
United Arab Emirates	Poultry meat, meat products and offal	EX195U	209	Certification available for animals sourced from outside the Control Areas
	Egg and egg products	EX46EG	5116	Certification available for eggs sourced from outside the Control Areas
	Skins and hides	Z450D	5116	Certification available for animals sourced from outside the Control Areas
United States of America	Raw animal by-product from animals other than wild game animals for export to the US for inclusion in manufactured pet food for the EU	M470	5109	Affects certification for all Australian product containing poultry.
	Raw animal by-product from wild game animals (other than kangaroo only product) for export to the US for inclusion in manufactured pet food for the EU	M471	5109	Affects certification for all Australian product containing poultry or avian species.
	Raw animal by-product from Kangaroo for export to the US for inclusion in manufactured petfood for the EU	M471	N/A	Affects certification for all Australian product containing poultry or avian species.
	Untreated bovine and foetal bovine blood from	M498 M498B	N/A	Affects certification for all Australian product containing poultry or avian species.

Australian Government
Department of Agriculture,
Fisheries and Forestry

	slaughtered Australian and/or New Zealand animals exported to the US for re-export to the EU			
	Non-bovine blood from slaughtered Australian animals	M523	N/A	Affects certification for all Australian product containing poultry or avian species.
	Technical products containing bovine material excluding blood, vells and gullets	M525	5109	Affects certification for all Australian product containing poultry or avian species.
	Technical products not containing bovine material excluding blood, vells and gullets	M524	5108	Affects certification for all Australian product containing poultry or avian species.
	Technical and pharmaceutical material for processing in the US, then re-export to the EU	M546	5109	Affects certification for all Australian product containing poultry or avian species.
	Raw material exported to the US for further processing into technical and pharmaceutical products for re-export to Mexico	M525	5200	Affects certification for all Australian product containing poultry or avian species.
	Ratite meat, meat products and edible offal	USEXM	2936	Affects certification for all Australian product.
	Raw pet meat (containing bovine material)	M525	5109	Affects certification for all Australian product containing poultry.
	Raw pet meat (not containing bovine material)	M524	5108	Affects certification for all Australian product containing poultry.

Australian Government
Department of Agriculture,
Fisheries and Forestry

	Bovine-origin petfood and pet treats that do not contain 'processed animal protein'	M525	5109	Affects certification for all Australian product containing poultry.
	Non-bovine-origin petfood and pet treats that do not contain 'processed animal protein'	M524	5108	Affects certification for all Australian product containing poultry.
Vanuatu	Poultry meat, meat products and offal	EX174	4772	Certification available for all poultry products sourced from outside the Control Areas.
	Eggs	EX46EG	5186	Certification available for all egg products sourced from outside the Control Areas.
Vietnam	Bovine edible offal	M521	5191	Certification available for animals sourced from outside the Control Areas
	Porcine edible offal	M542	5117	Certification available for animals sourced from outside the Control Areas
	Poultry edible offal	M522	5192	Affects certification for all Australian product.
	Ovine edible offal	M540	5193	Certification available for animals sourced from outside the Control Areas
	Caprine edible offal	M541	5194	Certification available for animals sourced from outside the Control Areas
	Poultry meat and poultry meat products	EX174	3082	Affects certification for all Australian product.
	Egg and egg products	EX46EG EX46	3946	Affects certification for all Australian product.
	Washed feathers	E242 E242A	3800	Certification available for heat treated product sourced from outside of Control Areas
	Animal by-products (excluding ruminant material) for animal feed production	M073	4890	Certification available for heat treated product sourced from outside of Control Areas

Australian Government

**Department of Agriculture,
Fisheries and Forestry**

	Animal by-products (containing ruminant material) for animal feed production	M072	4890	Certification available for heat treated product sourced from outside of Control Areas
Zimbabwe	Ostrich hides	E153	N/A	Affects certification for all Australian product
	Ostrich hides transhipping South Africa	E153	N/A	Affects certification for all Australian product
