

Rabies neutralising antibody titre test declaration

Form approved under the *Biosecurity Act 2015*

Section A: General information

Purpose of this form	<p>For an Official Government Veterinarian employed by the competent authority of the exporting country to confirm that:</p> <ul style="list-style-type: none">• the animal being imported into Australia has been vaccinated against rabies• the veterinarian has sighted a rabies neutralising antibody titre test (RNATT) laboratory report that indicates the animal has sufficient antibodies. <p>This form covers cats and dogs imported into Australia under group 3 country conditions or non-approved via group 2 or 3 country conditions.</p> <p>This form cannot be completed by the same veterinarian who performed the RNATT preparations.</p>
Before completing this form	<p>The Official Government Veterinarian must ensure that all treatments, vaccinations, testing and collection of blood samples were performed in a country approved by the Australian Government. Ensure you download the current version of this declaration.</p>
To complete this form	<p>Sign, date and stamp all pages.</p> <p>Electronically You need the latest version of Adobe Acrobat Reader to save changes to this form on your computer or device. Download the Adobe Acrobat Reader mobile app for your smartphone or tablet.</p> <p>Manually Use black or blue pen Print in BLOCK LETTERS Mark boxes with a tick or a cross.</p> <p>Corrections Strike through any errors (do not use correction fluid). Ensure corrections are legible, handwritten and signed, dated and stamped by the Official Government Veterinarian.</p>
To submit this form	<p>To apply to import a cat or dog, register an account in the Biosecurity Import Conditions system (BICON). Importers must include all pages of this declaration with their application.</p> <p>Warning This form must be completed in full for the Department of Agriculture, Fisheries and Forestry to consider it for assessment of an import permit. If the microchip number begins with 999 or the Official Government Veterinarian cannot answer 'Yes' where relevant, the permit conditions have not been met and the declaration should not be submitted.</p>
For more information	<p>Department of Agriculture, Fisheries and Forestry Phone 1800 900 090 (within Australia) +61 3 8318 6700 (outside Australia)</p> <p>Email imports@awe.gov.au Web agriculture.gov.au/cats-dogs</p>

Section F: Privacy notice

‘Personal information’ means information or an opinion about an identified individual, or an individual who is reasonably identifiable. ‘Sensitive information’ is a subset of personal information and includes any information or opinion about an individual’s racial or ethnic origin, political opinion or association, religious beliefs or affiliations, philosophical beliefs, sexual preferences or practices, trade or professional associations and memberships, union membership, criminal record, health or genetic information and biometric information or templates.

Personal information collected under the *Biosecurity Act 2015* is defined as ‘protected information’.

By completing and submitting this form you consent to the collection of all protected information contained in this form.

The Department of Agriculture, Fisheries and Forestry collects protected information, including personal and sensitive information, in relation to this declaration as required under the Biosecurity Act for the purposes of dealing with an application to bring in or import goods into Australia and related purposes. If the importer does not provide the relevant information requested in this form, the department may be unable to issue an import permit.

The department may disclose the protected information requested in this form to Australian, state or territory government agencies, or other persons or organisations where necessary for the purposes described, provided the disclosure is consistent with relevant laws, particularly the Biosecurity Act and the *Privacy Act 1988*.

Protected information collected by the department will only be used or disclosed as authorised under the Biosecurity Act and the Privacy Act. The protected information in this form will be used and stored in accordance with the Australian Privacy Principles.

See the department’s [Privacy Policy](#) to learn more about accessing or correcting personal information or making a complaint. Alternatively, telephone the department on +61 2 6272 3933.
