Exporting Seafood to China

The Australian Quarantine and Inspection Service has been advised that Chinese import and export inspection and quarantine agencies have recently enhanced their monitoring of imported food safety and quarantine requirements for seafood.

Information regarding Chinese import requirements can be found on the Manual of Importing Country Requirements (<http://www.daff.gov.au/micor/fish>) and on the Seafood Services Australia seafood Trade and Market access Database (<http://www.seafood.net.au/trade/>).
