* Final tenure of the CAR Reserve System will be determined in the Regional Forest Agreement following public comment on the Consultation Paper.

A list of additions (greater than fifty hectares), to the draft CAR Reserve System and Special Management Zones is provided in an appendix of the Consultation Paper.

The Draft Reserve System shown on this map has been developed by the joint Commonwealth/Victorian RFA Steering Committee to assist public consultation on the Regional Forest Agreement. Neither the Commonwealth nor Victorian Governments have endorsed the Draft Reserve System.

** Recent changes in adjacent RFAs may not be reflected in this map.
